Dear Parents,

Greetings!

Hope you all are taking good care of yourself and your families. I thank you for the cooperation you are giving to the teachers who are taking online virtual classes so that the children utilise their time in a constructive way.

Tuition fee for the month of May has become due in respect of all the students borne on the Rolls of school for session 2020-21. You are requested to deposit the Tuition Fee for May 2020 as per details already notified online.

You may ignore this request in case you have already deposited the Tuition Fee of your ward for the month of May 2020.

The Parents who did not deposit the Tuition Fee for April 2020 for any reason may please deposit for April and May 2020 online or at the bank counter as per convenience. I'm sure the parents will take a responsible stand on our perspective.

We acknowledge the continual support that we get from you dear parents and needless to say it encourages us to take the challenge of online teaching and engaging students so that they do not miss their teachers and school.

May we continue to work as a team so that we are able to come out strong from these troubled times.

Warm regards

Principal
